

SHAMAL

Elemental forces fight each other on the wall covering that got its name from the Shamal wind.

The image of the mild breeze and the golden dust in the tranquil Persian Gulf suddenly and violently shaken up by the overwhelming power of the sandstorm is represented by the unpredictable pattern of the prominences bulging from the plane.

Shamal captures the eternal fight of the different forces in nature.

Specifications:

Cross-laminated wooden panel.
Double-curvature surface.
Hardwood veneer with natural oil.

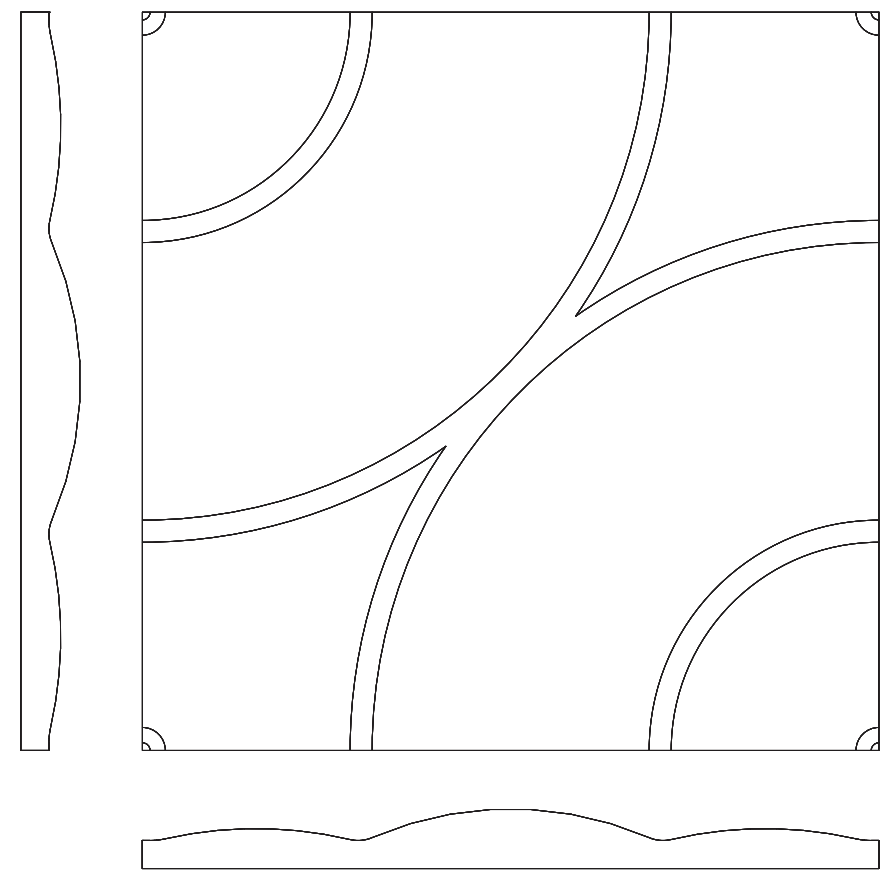

Dimensions:

Size: 940 x 940 x 80 mm
